§ 101-30.401-2 Automated catalog data output.

As a result of participation in the Federal catalog system, activities may receive data directly from DLSC tailored to their individual needs in support of their own supply management data system. The two basic categories of file maintenance are:

(a) *Simplified file maintenance (SFM)*. Subscribers to this category of file maintenance are provided replacement files (magnetic tape) semiannually containing selected technical and supply management data for those items on which they are a registered user. The subscriber will also receive a monthly maintenance update and cumulative monthly basic records from DLSC which may be used to maintain the semiannual basic file. Recipients of this form of file maintenance have latitude in selecting those items which meet the needs of their supply system from the categories of data available from the Federal Catalog System.

(b) *Regular file maintenance (RFM)*. This form of the file maintenance provides activities with data on a daily basis as transactions affect items upon which they are a registered user. It is used primarily by those activities which consider it essential to maintain

§ 101-30.403-1 Reports of excess and surplus personal property.

For items of personal property which have been identified in the Federal Catalog System, national stock numbers and Federal item identifications, with such additional descriptive detail as is required, shall be utilized in reports and listings of excess and surplus personal property. The assignment of national stock numbers and Federal item identifications shall not be required for items of excess or surplus personal property which have not been identified in the Federal Catalog System.

[39 FR 37060, Oct. 17, 1974]

§ 101-30.403-2 Management codes.

For internal use within an agency, alphabetic codes excluding letters "I" and "O" may be prefixed or suffixed to the national stock number as CM7520-00-123-4567 or 7520-00-123-4567CM, as required for supply management operations. Numeric codes shall not be affixed immediately adjacent to or as a part of the national stock number, nor shall codes be intermingled in the national stock number.
